Rap 2:

It hurts when I see you struggle.
You come to me with ideas.
You say they just pieces, so I'm puzzled.
'Cause the shit I hear is crazy.
But you're either getting lazy, or you don't believe in
you no more.
Seems like your own opinions, not one you can form.
Can't make a decision, you keep questioning yourself,
Second-guessing, and it's almost like your begging for
my help.
Like I'm FOUR leader.
You're supposed to fucking be MY mentor.
I can endure no more!
I demand you remember who you are!
It was YOU! who believed in me,
When everyone was telling you, you don't sign me.
Everyone at the fucking label, lets tell the truth.
You risked your career for me. I know it as well as you
Nobody wanted to fuck with the white boy...
Dre, I'm crying in this booth
You saved my life, now maybe it's my time to save yours.
But I can never repay you, what you did for me is way more.
But I ain't giving up faith, and you ain't giving up on me.
Get up Dre! I'm dying, I need you, come back for fuck's
sake cause...

Rap 3:

It literally feels like a lifetime ago
But I still remember the shit like it was just
yesterday though
You walked in, yellow jump suit
Whole room, cracked jokes
Once you got inside the booth, told you, like smoke
Went through friends, some of them I put on
But they just left, they said that was riding to the death
But where the fuck are they now
Now that I need them, I don't see none of them
All I see is Slim
Fuck all you fair-weather friends
All I need is him
Fucking backstabbers
When the chips were down, you just laughed at us
Now you bout to feel the fucking wrath of aftermath, faggots
You gon' see us in our lab jackets and ask where the fuck we been?
You can kiss my indecisive ass crack maggots and the crackers ass
Little cracker jack beat making wack math,
Backwards producers, I'm back bastards
One more CD and then I'm packing up my bags and as I leave
And I guarantee they'll scream, Dre don't leave us like
that man cause...
