BOYS

WORDS & MUSIC BY CHAD HUGO & PHARRELL WILLIAMS

For whatever reason, I feel like I've been wanting

you all my life. You don't understand,

I'm so glad we're at the same place at the same time, it's over now.

1. I
spotted you dance-in' you made all the girls stare.
(Verse 2 see block lyric)
lips and your brown eyes and the sexy hair.
I should shake my thing and make the world want you.
Tell your boys you'll be back, I wanna see what you can do.
What would it take for you to just leave with me?

Not tryin' to sound conceited but me and you were meant to be.

You're a sexy guy.

I'm a nice girl.

let's turn this dance floor into our own little nasty world.
Boys! Sometimes a girl just needs one. (You know I need you.) Boys! To love her and to hold.

(I just want you to touch me.) Boys! And when a girl is with one. (Mmm, mmm.) Boys! Then she is in control.

2, 3.

Tonight let's fly, boy, have no fear.

Boys! Sometimes a girl just needs one.
Verse 2:
Took a boy off the dance floor
Screaming in his ear
Musta' said something 'bout me (What you say)
'Cause he's looking over here
You lookin' at me
With a sexy attitude
But the way your boy's movin' it
It puts me in the mood
Ow!

What would it take for you etc.

2:
Come with me, let's fly into the night
Oh boy, tonight is ours
Keep lovin' me, make sure you hold me tight
Let's head for the stars (Get nasty!)
