Don’t Hang Up
Words & Music by Britney Spears, Brian Kierulf & Josh Schwartz.

1. Baby, I’m lying all alone. The pillow is all I have to hold.
2. Tell me, tell me what you see. Can’t feel you, feel me underneath.

God, it isn't fair
we begin to breathe.
I still
Hold on,
I still
Hold on,
I still

Don't hang up.) It's just getting serious,

You're making me delirious. (Don't hang up.)

I am not alone.
I can still feel you, even when I'm lonely.

And now I'm coming too. (Don't hang up.) I am not alone.

I can still feel you, even when I'm lonely.

To Coda

And now I'm coming too. And now I'm coming too.
You're far away but we'll find a way Ooh, baby now

let's make it right Now close your eyes Damn

(Don't up)

Do you feel it too?

Repeat ad lib. to fade

Close your eyes.
