Yeah...

Sometimes I just love to have that out. It's just something a girl's gotta do. Way... oh.
1. Never thought I'd see you like this. You're lookin' good when you're half dressed.
2. I don't really wanna be a tease, but would you undo my zipper please.

Just let me give you one last test. Is that a sin?
Uh uh, please don't talk. Listen.

Am I too hot for you though? Did you check out my video?
I'll let you touch me if you want. I see your body rise, rise.

There's something you don't know. Like this.
And when you come don't get too hot. Butterflies. I'll
take you to spend in my way. Just give in.

when you are ready to play. Like this.

Here comes the showdown what goes around comes around.

And the crowds are waiting Way oh.
'Cause if we break up then we can make up. Shake my body all night.

Here comes the showdown... Way-oh.

Look at the tension when we fight. You make it up, turn down the lights.

It's just a lover's game we play. Hey, hey, hey. After the screaming's at an end.
why don’t we do it all again. That’s when the fun really begins.

Oh, whoa. Wah!

Yeah! Yeah! Wah!

Here comes the showdown. Way oh.
Here comes the showdown, what goes around comes around.

And the crowds are waiting, Way oh.
