Don't try to explain your mind I know what's happening here

One minute it's love and suddenly it's like a battlefield

One word turns into is it the tear down

My world's nothing when you're gone I'm out here without a shield

Can't go back now
Both hands tied behind my back for nothing

O-h no these times when we climb so fast to fall again

Why got to fall for it now I never meant to start a war you know I

ne- ver wan-na hurt yo-u Don't ev-en know what we're fighting for-

Why does love al- ways fe-el like a ba ttle field a ba ttle field a

ba ttle field why does love al- ways fe-el like a ba ttle field a ba ttle field a
Battlefield

why does love always feel like Can't swallow our pride

Neither of us wanna raise that flag

If we can't surrender then we both gonna lose what we have

Both hands tied behind my back for nothing Oh no

these times when we climb so fast to fall again I don't wanna fall for it

now I never meant to start a war you know I never wanna hurt you
Don't even know what we're fighting for

Why does love always feel like a battlefield

I guess you better go and get your armour

I guess you better go and get your armour
go and get your
We could pretend that are friends tonight
and in the morning we wake up and we'll be alright ‘Cause baby we don't have to
fight and I don't want this love to feel like a battle field a battle field why does love always feel like a battle field a battle field
I never meant to start a war you know I never wanna hurt you
Battlefield

Don't even know what we're fighting for

Why does love always feel like a battlefield a battlefield a battlefield

Better go and get your armor
