When the cold wind's a-calling and the sky is clear and bright misty mountains say'in and
beck- on, meet me out into the light. I will
ride, I will fly chase the wind and touch the sky I will
fly chase the wind and touch the sky.
Where

darkness hides secrets and mountains are fierce and bold deep
wa-ters pour per-fec-tions of times lost long a-go. I will

hear ev-ry sto-ry take hold of my own dream, be as

strong as the seas are stor-my and proud as an ea-gle's scream. I will
ride, I will fly chase the wind and touch the sky I will

fly chase the wind and touch the sky.
And touch the sky.

Chase the wind, chase the wind.

Touch the sky.
