1. Once, all alone, I was lost in a world of strangers.
2. Now, I wake up every day with this smile upon my face.

No one to trust; On my own. I was lonely.
No more tears, no more pain, 'cause you love me.

You, suddenly appeared; it was cloudy before, but
help me understand that love is the answer but to

now it's all clear. All that I am. And I, took away the fear, and
since you I'm a better man.

Chorus:
you brought me back to the light. You are the sun:
you make me

shine, or more like the stars that twinkle at night. You are the moon.
that glows in my heart. You're my day-time, my night-time, my world; you are my life.

Bridge:

world; you are the sun; world. You gave me strength when I wasn't strong.

You gave me hope when all hope was lost. You opened my eyes.
when I could’n’t see,
Love was always here waiting for
me.
You are the sun;
you make me shine, or more like the stars.
that twinkle at night.
You are the moon that glows in my
heart.
You’re my daytime, my nighttime, my world;
you are the sun;
you make me shine, or more like the stars...
that twinkle at night. You are the moon that glows in my heart.
You're my daytime, my nighttime, my world; you are the sun;
world; you are my life.
