Hear the sound, the angels come screaming

down.
Your voice, I heard you've been bleeding.

Make your choice, they say you've been pleading.

Someone save us! Heaven help us now, come crashing down.

We'll hear the sound as you're falling down.
Help this old hotel, but can't tell if I've been breathing or sleeping or dreaming or waiting for the man to call, and maybe all of the above, 'cause mostly I've been sprawled on these cathedral steps while spitting out the blood and screaming. Someone save us!

Heaven help us now, come crashing down. We'll hear the sound as you're falling down. And will you pray for me? Or make a
saint of me? And will you lay with me? 'Cause I'll
give you all the nails you need, cover me in gaso-line, wipe away those tears of blood a-
gain. And the punch-line to the joke is asking some-one save us! Hea - ven help us
now, come crashing down. We'll hear the sound as you're
fall-ing down.
