1. Had a dream, had a drown-ing dream, I was in a riv-er of pain.
   (Verses 2 & 3 see block lyric)

On-ly diff'rence this time I wasn't call-ing out your name, yeah
Am    Cmaj7   F
has it ended before it began, you hold on and I try to run but

C    G    F
anybody heading in my direction, away from the city.

C    G    F
Anybody wanna change the way they feel, step inside.

C    G    F
Doesn't really matter where you wanna take me, away from the city.
Verse 2:
Funny how those friends forget you
When you tire of their games
You miss a show or a party that blows
And they've forgotten your name, yeah
And you wonder what you've become
They pull you back when you try to run.

Well anybody heading in my direction etc.

Verse 3:
I left the me I used to be
I wanna see this through
I left the me I used to be
If only you'd see it too
Well I wonder what you've become
You pull me back when I try to run.

Well anybody heading in my direction etc.
