DON'T YOU THINK?

WORDS & MUSIC > PHIL THORNALLEY & COLIN CAMPSIE

Yeah some people don't worry about nothing, don't know what's going on. I'm
not one who can't say they're

sor-ry, I just care what's going on.

There's more im-port-tant things than mak-ing sure your watch looks just right.

And sec-ond hand op-in-ions don't make you look a-ny smarter.
Don't you think, don't you think, don't you think—
that maybe it's
time,

yes it's
time,

it's time you started thinking.
It's time you started thinking.

Don't just sweeten up the taste.

It's time you started thinking.

N.C.

thinking 'bout things in the back of your head, someone said before you turn a blind eye.
Hear a bell ring, sex sells every-thing but I don't buy it, so don't try it.

Sleep-ing in the small world, head in the sand, bet-ter wash your hands, make a new plan.

There's more im-por-tant things than mak-ing sure your shoes walk just right.

Ignore re-a-li-ty. There's no-thing you can do a-bout it.
Ignore reality, there's nothing you can do about it.

The clothes you wear don't make a man. It's just another party.

Don't you think, don't you think, don't you think that maybe it's time.
Verse 2:
Brother shoots brother
But meanwhile you're fixing up your face
You're not affected by the truth unless it's on your doorstep
Deodorise your paradise, no point in getting crazy.

Don't you think etc.
