Oh, oh, oh.

Whoa, oh, never find a love like this.

Whoa, ok, never find a love like this. Well, we go
back so far, swing-in' in your back yard. All the things that we used to do. We were cool_
try to take me, you're the one who saved me. I feel like I owe you my life. And as strange_

back in high school. Ooh, I really liked you, must have been your attitude. And that's why_
as it may seem, I'll go if you take me. I'm willin' to sacrifice.

you keep on runnin' in and out of my mind. As the years_

they all roll by, baby, now I know why I keep comin' back to you. You're the
only one that knows me, love it when you hold me. I'll never find a love like this. Let me hear you say now

I'll never be lonely, look at what you showed me. I'll never find a love like this. When this life

tries to keep us apart, you keep callin' me back to your heart. Let me hear you say

I'm so glad you found me. Wrap your world around me. I'll never find a love like this. All the guys.
never find a love like this. May never find a love, love, love like this that

still makes me think about my middle school kiss. I sit here in this chair and I wish for

you not to leave me now. My friends they always told me not to make you my wife.

Man, they was puttin' you down. And now they see we rollin'; me and you we strollin'.
They don't wanna come around. Let me hear you say you're the
never find a love like this.

When, oh, never find a love like this.

Whoa, oh, never find a love like this. Whoa, oh, never find a love like this.

never find a love like this. Whoa, oh, never find a love like this.
