But I can't find your silver lining
I don't mean to jutch when you reach your speech
It's tiring enough is enough

hiss and preach 'Bout your new Messiah 'cause your theories catch fire

I can't find your silver lining
I don't mean to jutch

when you reach your speech it's tiring Enough is enough

I'm
co-vering my ears like a kid
When your words mean no-thing! go

I'm tur-ning up the vo-lume when you speak
‘Cause if my

heart can't stop it I find away to block it I go la la la

When your words mean no-thingl go co-vering my ears like a kid

But I'm

C#m

When your words mean no-thingl go co-vering my ears like a kid

But I'm

la la la
I'm gonna drown you out before I collide
I can't find your silver lightning
I don't mean to be a coward
When our words lose my mind

I won't count the hours rather
Love is running out of time
I won't count the hours rather

I'm gonna drown you out before I collide
I can't find your silver lightning
I don't mean to be a coward
When our words lose my mind

If 0111'
But when you hit your speech it's tiring enough is
