She was morning and I was night time. I

one day woke up to find her lyin’ be-

side my bed. I softly said, “Come
I've been lonely, in need of someone
So it was that I came to a road that was
A thorned and narrow path, but I don't know where.
Another place,
I don't know where, another grace would come lately.

You are the sun, I am the moon, you are the words,

I am the tune: play me.
Song she sang to me,
song she brang to me, words that rang in me,
rhyme that sprang from me warmed the night.
And what was right became me.
You are the sun, I am the moon,
you are the words, I am the tune: play me.
You are the sun, I am the moon,
you are the words, I am the tune:
play me.
