SEPTEMBER MORN

Moderately slow

Stay for just a while.
Stay and let me look at you.

It's been so long, I hardly knew you
standing in the door.

Stay with me a while.
I only wanna talk to you.
We've traveled half way 'round the world to find ourselves again. September morn.

We danced until the night became a brand new day. Two lovers playing scenes from some romantic play.

September mornings still can make me feel that
way.

Look at what you've done.

Why, you've become a grown-up girl.

I still can hear you crying in the corner of your room.

And look how far we've come:

far from where we used to be,

but not so far that we've forgotten
how it was before. September morn. Do you re-
member how we danced that night away?
Two lovers

playing scenes from some romantic play.

mornings still can make me feel that way.
We danced until the night became a brand new day.
Two lovers playing scenes from some romantic play.
September mornings still can make me feel that way.

We danced until the night became a brand-new day.

Two lovers playing scenes from some romantic play.

September
mornings still can make me feel that way.

mornings still can make me feel that way.
