We used to swim
the same moonlight
waters of the world
Brings me to thee
from the wake
be - fore the sea
in - to the bl - ue
O - ceans a - way
In - to the bl - ue
mem - o -
-ful day ry My fall will be for you
siren from the deep came to me
Sang my name my longing Still I write my songs about that dream of mine
I keep on watching us sleep Re-live the old sin of Adam and Eve Of you and me Forgive the ad-oring beast
Time to never hold our love
My fall
will be
for you
