Mis-fit, I sit lit up, wicked. Everybody else surrounded by the girls, with the

tank tops and the flirt-y words. I'm just sipping on cham-o-mile,

watching boys and girls and their sex-appeal, with a stranger in my face who says he knows my mom and

Verse 2:
I'm the one they feed upon.
Give a bit, a star is born.
And if you're hot enough, you'll get the pass,
So you can tell your friends how you made it back.
No matter what they say, I'm still the same.
Somehow everybody knows my name.
And all the girls wanna get with the boys.
And all the boys really like it.
