STOP CRYING YOUR HEART OUT
Words & Music by Noel Gallagher

Bm

1. Hold up, hold on,
you’ll never change what’s been and gone. May your smile

(may your smile.) Shine on (shine on.)

Don’t be scared, (don’t be scared.) Your destiny may

keep you warm. Cos all of the stars are fading away,
just try not to worry, you'll see them some day. Take what you need

and be on your way and stop crying your heart out.

2. Get up, out.

(Ah.)
(Ah.)
Cos all of the stars are fading away.

Just try not to worry, you’ll see them someday. Just take what you need

and be on your way and stop crying your heart out.
