Words & Music by

My baby don't mess around... because she loves me so... and this I

know for sure.

But does she

really wanna, but can't stand to see me walk out the door.
Don't try to fight the feel' cause the thought a-lone is killing me right now.

Thank God for Mum and Dad for sticking two together 'cause we don't know how.
Hey ya.

nothing at all.

We've been together, oh we've been together, but separate's always better when there's feelings involved.

If what they say is (Nothing is forever) then what makes, then what makes, then
what makes, then makes, then what makes. (love exception?)

So why you, why you, why you, why you, why you, are we in denial when we know we're not happy here.

Hey ya, hey ya, hey ya.
