sir,
ma'am,
calm sure I'll have another one, it's

early. He was the captain of the football team but I

dirty. He wasn't the first and he won't be the last so

flirty. this happens all the time. I'm the
in-sti-ga-tor of un-der-wear
story they tell, the a-li-bi, they
show-ing up here and there,

uh-oh, I'm always on a mis-sion from the
day-light,

get real go-life.

af-ter noon?

uh

so-

what if it's on-ly one o'clock in the

time.

It gets to be too much some-

time.

It's nev-er too soon

to

to
send out all the invitations to the last night

of your life. Lordy, lordy, lordy, I can't help it I like to party, it's genetic, it's electrifying.

Wind me up and watch me go, where she stops, nobody knows.
good excuse to be a bad influence on

you and you and you and you and you and

you and you and you and you and you and

you and you and you and you and you and

you and you and you and you. Alright, you and you.
off to see the doctor, I hope she has a cure. I hope she makes me better, what does that even mean? We don't know! Lordy, lordy, lordy, I can't help it I like to party, it's genetic, it's electric.
