Pink
Bridge Of Light

When you think
Hope is lost
And giving up is

all you got And blue turns black
Your confidence is cracked there

seems no turning back from here

Some times there is not an obvious explanations
Why the
holiest hearts can feel the strongest palpitations

That's when you can build a bridge of lightness what turns the wrongs all right

That's when you can't give up the fight

That's when love turns night time into day that's when loneliness goes away

That's why you gotta be strong to
Only love can build us bridge of light
Deep breath take it

On the chin but don't forget to let love back in

That's when you can build a bridge of light that's what turns the wrongs all right

That's when you can't give up the fight

That's when love turns night time into day that's when loneliness goes a way
When your feet are made of stone
And you’re convinced that you’re all alone
Look at the stars, instead of the dark
You’ll find your heart shines like the sun
But let’s not let our anger get us lost

When the need to be right comes with way too high a cost

That’s when you can build a bridge of light,
That’s what turns the wrongs all right
That’s when love turns nighttime into day,
That’s when loneliness goes away,
That’s why you gotta be strong tonight,
‘Cause only love can build us a bridge of light.
