Have you ever thrown a handful of glitter in the air?

Have you ever been touched so gently you had to cry?

Have you ever looked in the face and said, "I just don't care?"  

It's only half past the
point of no return, the tip of the iceberg, the
point of oblivion, the hourglass on the table, the

sun before the burn. The thunder before the lightning, and the
walk before the run. The breath before the kiss, and the

breath before the phrase. Have you ever felt this way?
fear before the phrase. Have you ever felt this way?

There you were
sitting in the garden, clutching my coffee,
calling me

you called me sugar.
Oh, no, no, no.

Have you ever wished for an endless night?

Lassoed the moon and the stars and pulled that
Have you ever held your breath and asked yourself will it ever get better than tonight?

Tonight.
