I could'n't see how ev-er-y sign pointed straight to you.

But ev-er-y long lost dream led me to where you are.

Others who broke my heart, they were like northern stars.
pointing me on my way in to your loving arms.

I've spent just passin' through. I'd like to have the time

I lost and give it back to you. But you just smile and take

my hand. You've been there, you understand it's all part of grand.
