Well, I just lie there, staring, silently preparing to love you.

Well, I can feel the heat from across the room.
Ain't it wild what a little flame can make you wanna do? I melt....

Chorus:

every time you look at me that way. It never fails....

any time, any place. This

burn in me's the coolest thing I've ever felt....
Coda

Verse 2:
Don't know how you do it.
I love the way I lose it every time.
What's even better
Is knowing that forever you're all mine.
The closer you get, the more my body aches.
One little stare from you is all it takes.

(To Chorus)
