Step inside, take a deep breath and

do what you do best.

Yeah, Hey, we

kick off them shoes and leave those
can't stop the rain. Let's find a

place by the streets. I do be-

lieve feel, love came our way, and fate did ar-

range for us to
I love when you do that ho-cus po-cus to me.

The way that you touch,

— you've got the pow-er to heal.

You give me that look,

it's al-most un-real.

1. A

it's al-most un-real.

2. A

it's al-most un-real.
It's a crazy world out there. Let's hope our prayers are in good hands tonight.

Oh, I love when you do...
that hocus pocus to me. The way that you look,
you've got the power to heal. You give me that look, it's almost unreal,
it's almost unreal, so unreal. Yeah, come on and do,

1. B

2. B
It's almost unreal.

Do the hocus pocus to me.

Do the hocus pocus.

Repeat and fade

the hocus pocus to me.
