And deep inside this massive building,
there's a
crystal lake of all the tears I've cried.
Baby, for all my life,
don't you know that it's true,

So, Baby, don't think twice,
if you feel what I feel,
trust your heart and do what I
do 'cause I'm living to love you,
I'm living to

I don't think I'll ever understand that our love it should never have a happy end, so I'm
