Wake up, make up bring it up, shake up, stand by, don't cry. Watching while the world die.
Limp wrist, tight fist, contact, no twist, black dress no mess
Head-light, high life, can't sleep, good night, up tight, big fight big deal, too right.

Big car, movie star, hot tip go far,
Stand by, don't cry. Watching while the world die.
Big town, don't drown: jump back, turn around
blind date too late
take a bus don't wait.
three lane, fast lane stand-ing in the cold rain.
no life, flick-knife fin-ish off my life.

It's al-right for you,

It's al-right for you.

it's al-right for you,

for you and you and you and you and you.

It's al-right for you.

it's al-right for you.
